CONTEXTO

POST KONKRET BEWEGT II

From the picture to the virtual and back to the picture. What makes the exhibition at the Kunstverein Duisburg exciting is the circle that closes again in the works of POST KONKRET BEWEGT II. The arc of the work moves from the painted picture into digital space - and back into the picture. Out of informal, non-representational painting, T. Post develops positions between pop art and concrete art and sets them in motion.

At the Kunstverein Duisburg's artists' house, the open studio is simply a celebration. Great artists, musicians and excellent events. An enormous two-day bustle with many people interested in art, and us in the middle of it. Many warm thanks to the well-informed people we talked with, and to the kind, welcoming team and the board.
