IN BREVE

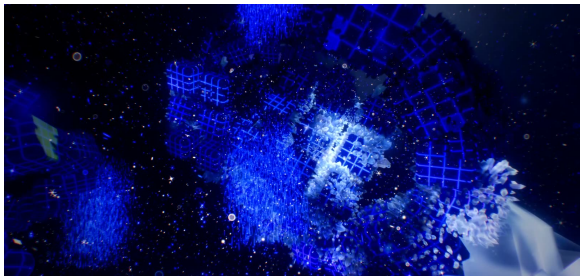

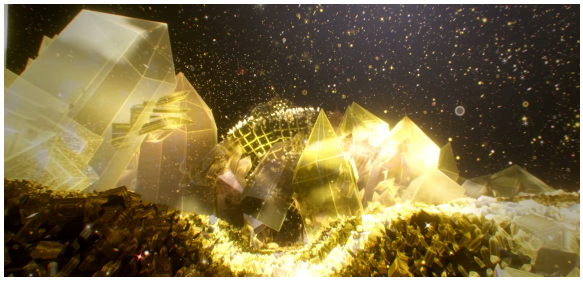

Lo sguardo sale: torri di cristallo e sculture ricoperte si innalzano in un cielo scuro, il controluce attraversa il vetro, scintille fluttuano nell’aria.

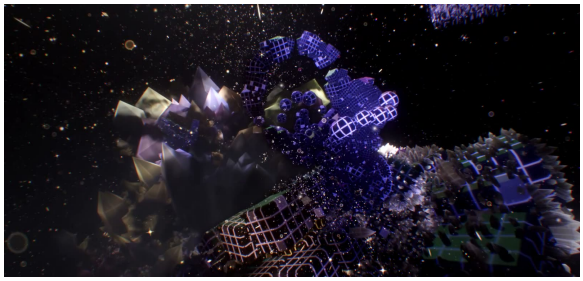

CONTESTO

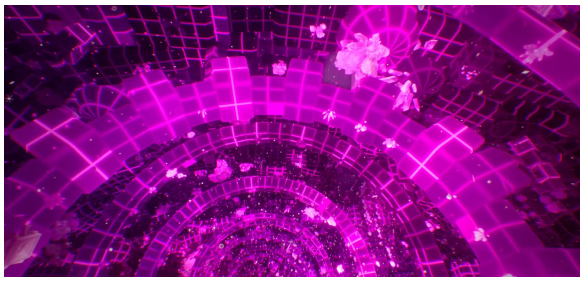

L’opera appartiene alla serie Art World Crystal: Art World cristallizzato – un volo senza fine attraverso un mondo di cristallo, vetro e luce, senza piante, con in mezzo sculture ricoperte della serie Sculpt. La serie è descritta in «Art World Crystal – Kristallwald», la sua prima opera.
