IN BREVE

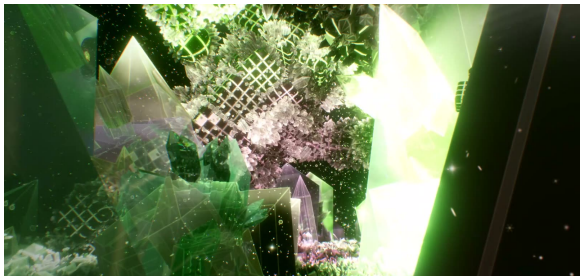

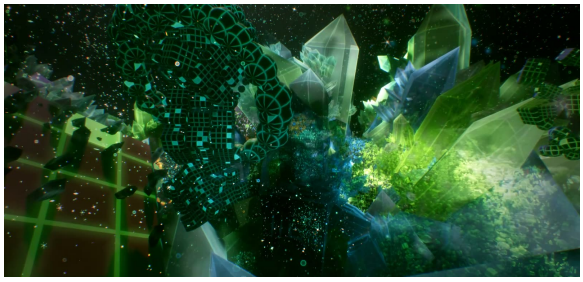

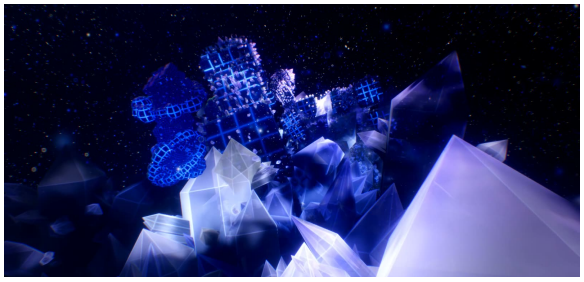

Vicino a grandi cristalli di vetro: lo sguardo attraversa fino al retro e all’interno, veli, aghi di rutilo, crepe e zone di crescita, luce rifratta – e una grotta di cristallo.

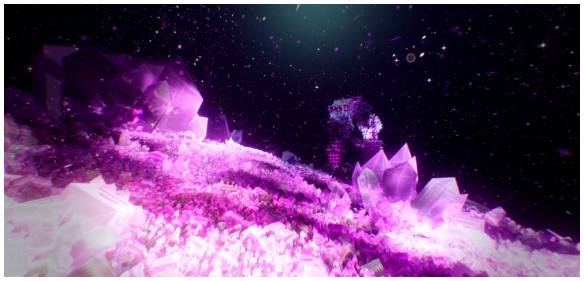

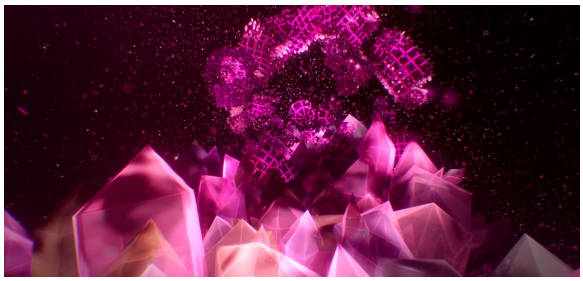

CONTESTO

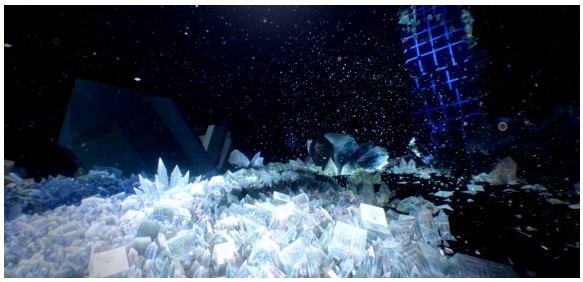

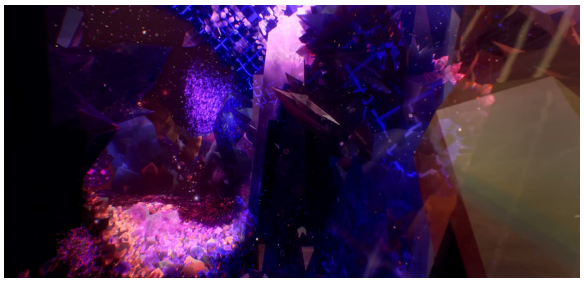

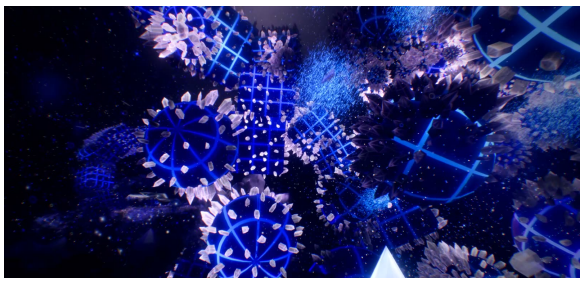

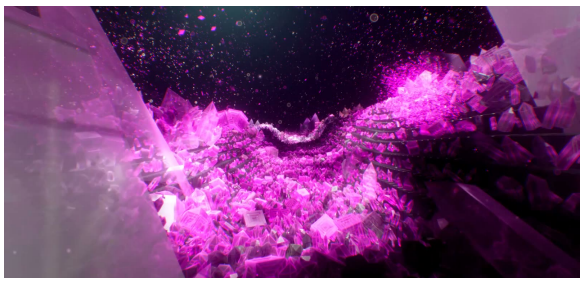

L’opera appartiene alla serie Art World Crystal: Art World cristallizzato – un volo senza fine attraverso un mondo di cristallo, vetro e luce, senza piante, con in mezzo sculture ricoperte della serie Sculpt. La serie è descritta in «Art World Crystal – Kristallwald», la sua prima opera.
