IN BREVE

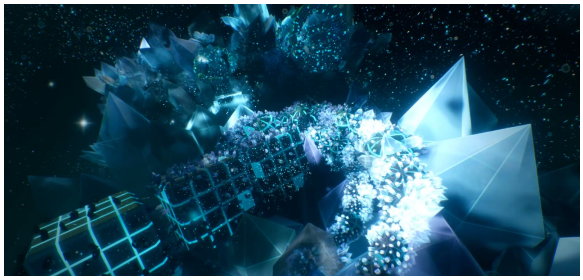

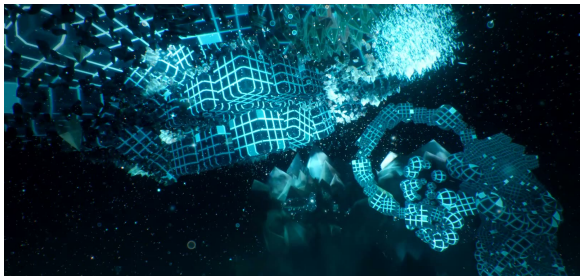

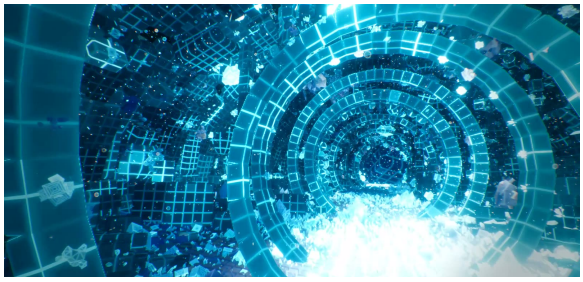

La luce non è mai ferma: zone che respirano piano o veloce, ampie fasce di luce attraversano il paesaggio e i campi scuri, e in ogni cristallo la luce sale dalla base alla punta.

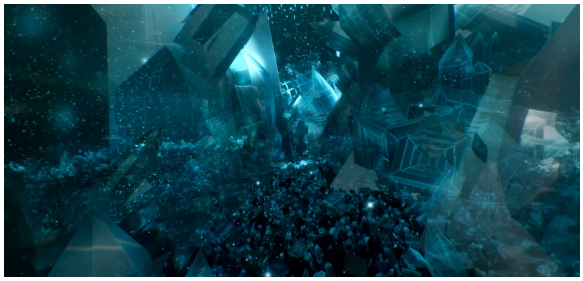

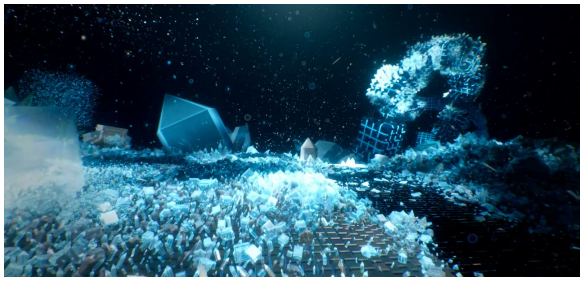

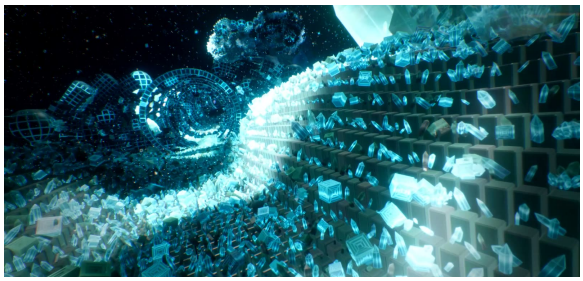

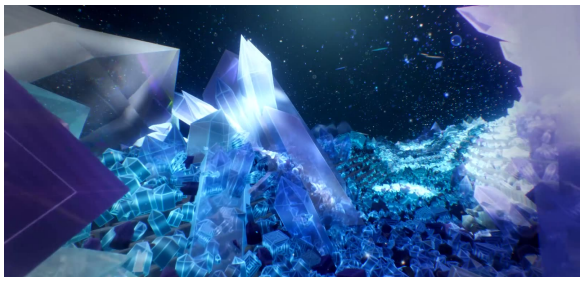

CONTESTO

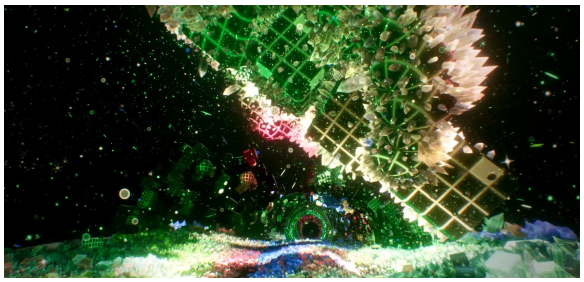

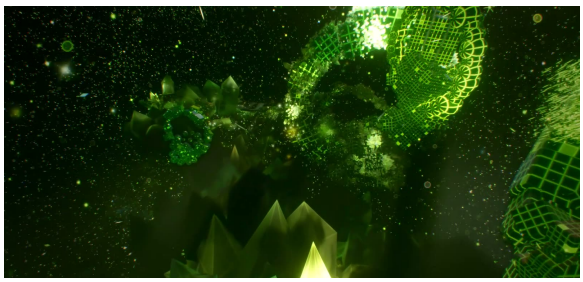

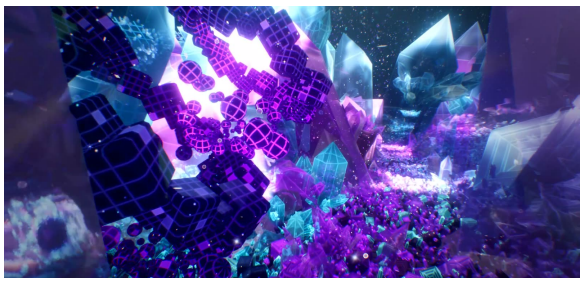

L’opera appartiene alla serie Art World Crystal: Art World cristallizzato – un volo senza fine attraverso un mondo di cristallo, vetro e luce, senza piante, con in mezzo sculture ricoperte della serie Sculpt. La serie è descritta in «Art World Crystal – Kristallwald», la sua prima opera.
