IN BREVE

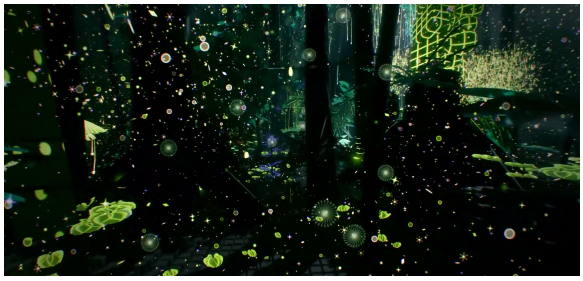

Un bosco oscuro su colline e avvallamenti, funghi luminosi a tappeto e su vecchi ceppi, spore nell’aria – le sculture fluttuano in mezzo.

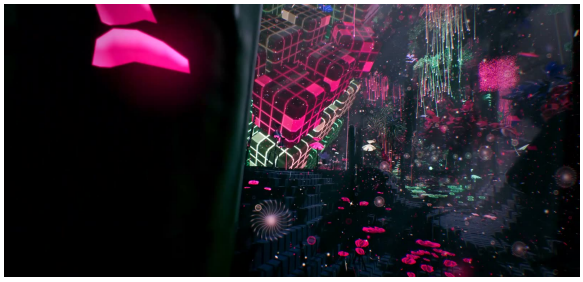

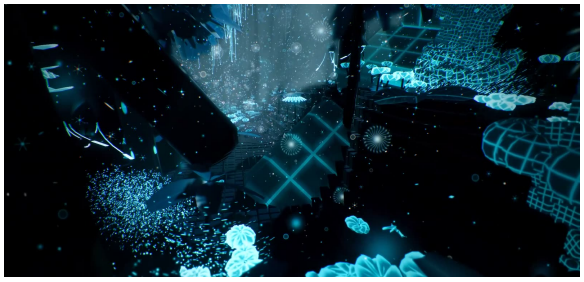

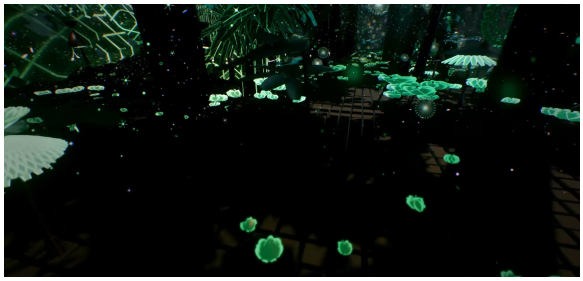

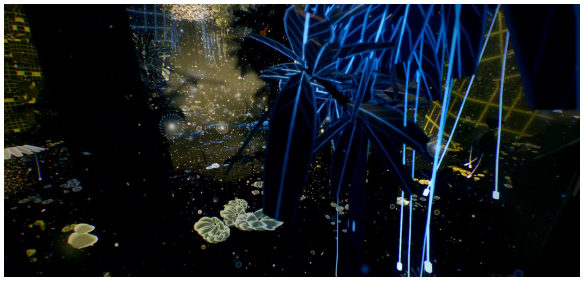

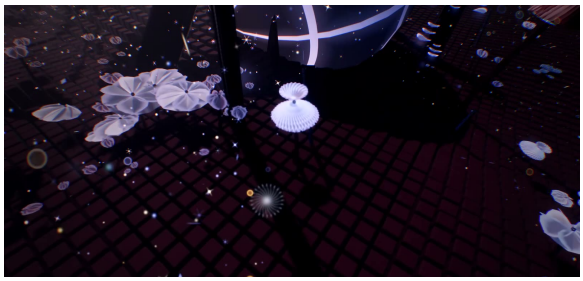

CONTESTO

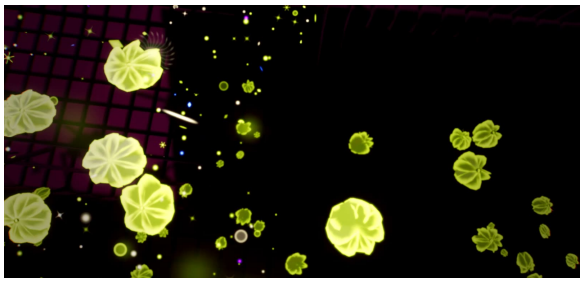

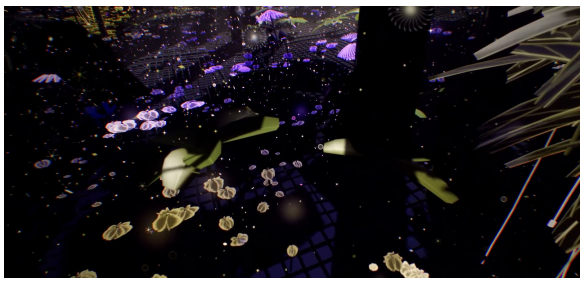

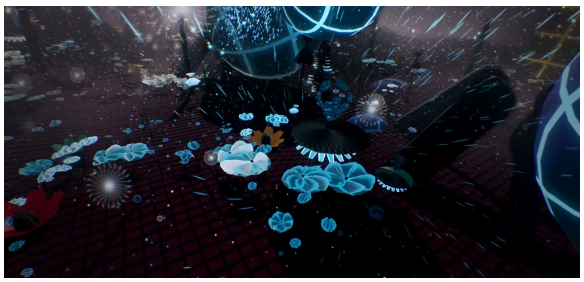

L’opera appartiene alla serie Art World, il lato figurativo del Laboratorio: un volo senza fine attraverso mondi viventi in cui si ergono le sculture della serie Sculpt. La serie è descritta in «Art World – Urwald», la sua prima opera.
